It is a scientific fact that Man is the only one of God's creatures that can smile. And it is fortunate that he can do so, for he has much to smile about. The ENTHUSIASM behind Man's drive to better his lot has resulted in accomplishments that make his civilization more comfortable and his future more hopeful.

The ENTHUSIASM that has led Man's progress is manifested in a zest for competition—physical and mental—and a determination to complete a task we take upon ourselves. ENTHUSIASM is that immeasurable quality that motivates us to work toward a goal when reason and logic tell us that the goal is beyond reach. And ENTHUSIASM is that important element of success when the goal is finally reached.

Most of all, ENTHUSIASM is a genuine love of life. It is an emotion that directs us toward universal brotherhood when all apparent events take such an ideal out of the realm of reality. When ENTHUSIASM is in the heart, the impossible is no longer a barrier to accomplishment. It is an ENTHUSIASTIC faith in the Goodness of Man that brings illusive peace within our grasp.

It is to this highest degree of ENTHUSIASM to which we dedicate the 1959 Caerulea.

The year 1959 found a new spirit on our campus — a certain attitude and pride in every facet of school life was demonstrated by the entire student body.

This new enthusiasm was not only evident in the excited cheering support and loyalty given to our athletic teams but also in the excellent sportsmanship demonstrated in all school activities. Athletic teams were not the only ones who experienced this show of spirit and sportsmanship; every scholastic achievement received its full share of studious endeavor and rewarding pride.

To best portray in picture and prose this year's spirit of scholars and champions we have chosen **ENTHUSIASM** as our theme, in the hope that you will recall this memorable school year and recapture the spirit which made it so exciting and unique.

awards

There is honor in a job well done . . .

When a man does his best.

And learning deserves honor.

And recognition.

And appreciation.

And the whole school behind you
in your success.

A whole man works with his mind

As well as

His body.

And his heart.

And with ideals he knows to
be true.

We grant you this award . . .

caerulea awards

Outstanding service to Poly is recognized each year by the presentation of Caerulea Awards. Candidates who received this honor were nominated by counselors and faculty members in their respective fields. A student committee of the Caerulea Staff selected the final recipients.

We congratulate these seniors who have given so much to Poly through their achievements and service.

The term "Sealbearer" is widely known and highly respected throughout the state. A graduate receives this title by earning CSF membership at least four semesters, one of which must

be in the senior year. Those who are members all six semesters also receive a special Phi Beta Kappa award. Congratulations, scholars!

In order to give more recognition to those students who make outstanding contributions in the various fields of endeavor a new Awards section has been added to this year's *Caerulea*. These students have demonstrated unusual ability in scholastic competition and have been recognized by various clubs and institutions for their achievements. The honors and awards which are presented at graduation ceremonies cannot be included in this listing as the yearbook went to press before these facts were available. However, the heartiest congratulations are offered to all the Poly graduates who have brought honor to themselves, and their school, by demonstrating that a certain enthusiasm for learning and knowledge which will surely bring them future success and happiness.

The Homemakers of Tomorrow Award is awarded on the basis of achievement on a 300 question test given at 12,260 schools throughout the nation. The school winners compete in state-wide contests and are then eligible for scholarships given by General Mills. **IRENE BAKER** received the Homemaker of Tomorrow award from Poly.

Each year the Exchange Club authorizes the faculty and counselors at Poly to choose the most outstanding senior girl and boy. This year's recipients were **JAN DASH** and **JAN VAN DE WATER**. The city-wide high school winners attend a banquet where they are given their awards. These ten winners from Long Beach write an essay (this year's theme was "The Real Meaning of Democracy to Me") which is entered in a state-wide contest. The first prize in the state, based on grades, activities, and the essay, is a five hundred dollar scholarship.

The Elk's Club Award is awarded annually to a graduating senior from each Long Beach high school. Poly's recipient was **TERRY DAVIS**. Selection is made by a scholarship committee within the school's administration. The choice is made on the basis of grades and worthiness.

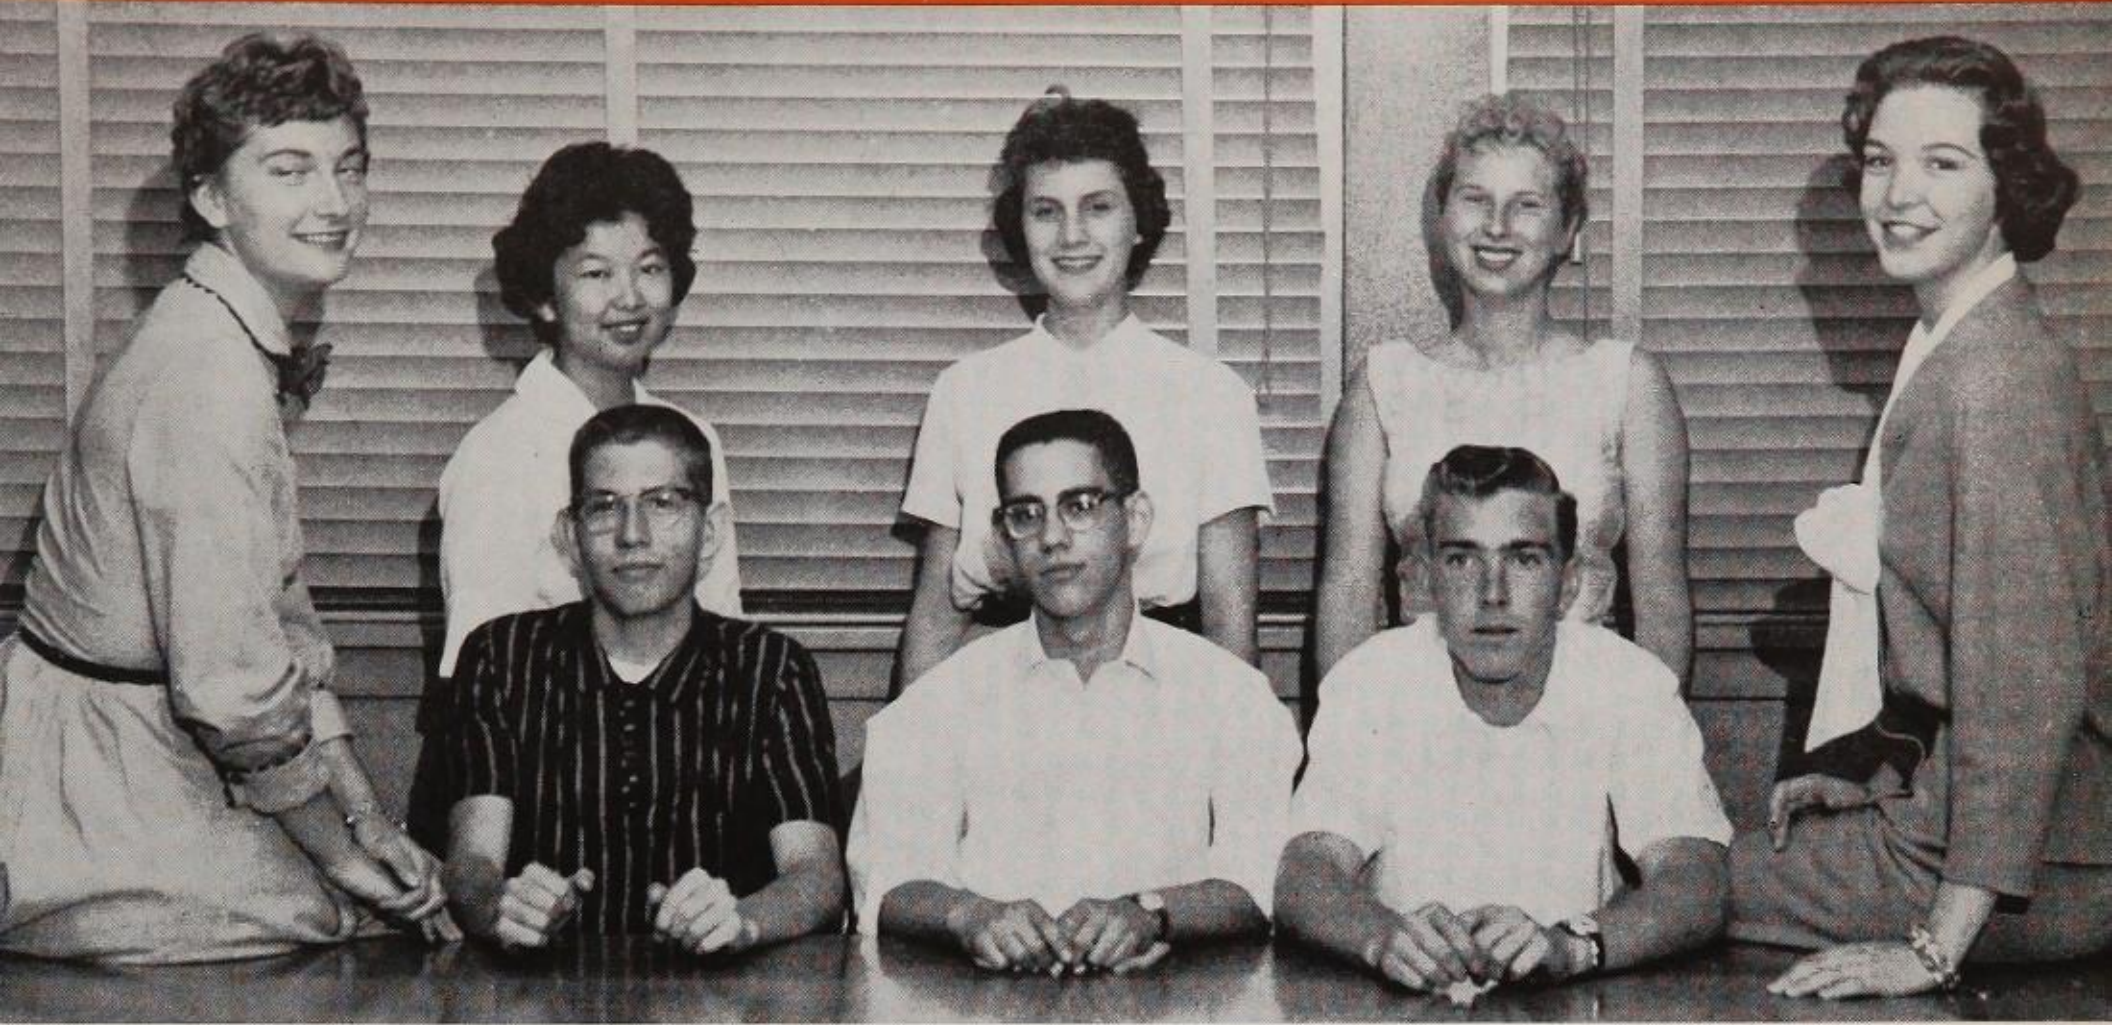

NANCY KUBO'S speech "A Monument to Man" won her first place in the Downtown Lions Club speech contest. With this same speech on the history of California's Public Schools she carried off the first place award in the Native Sons of California contest. Nancy has also been the winner of the sophomore, junior, and senior speaking contests at Poly.

The Women's Music Club of Long Beach holds auditions for the young musicians of the city. The first place winners of the three divisions, strings, piano, and voice, perform for the membership of the Ebell Theater. **LINDA McHENRY** won first place in the vocal auditions by singing an operatic aria and one other musical selection.

Representing Poly, **HINDA OZAN** won first place in the all-city "My True Security" speech contest sponsored by the Long Beach Junior Chamber of Commerce. She received her award at a dinner which the Junior Chamber of Commerce presented during their first annual city-wide contest.

The Long Beach Optometric Association sponsored the "Safer Driving Through Better Vision" contest. The contest was divided into two divisions, essay and poster. **BILL PARSONS'** poster "Is Your Vision a Wreck?" won the sweepstakes award of a \$25 bond and a plaque.

RALPH RIDGEWAY is our 1959 American Field Service foreign exchange student. Each year one junior is selected as foreign exchange student and given an American Field Service scholarship. The chosen student is given the experience of living with a family in a foreign country for one summer in order that he might gain a knowledge and understanding of the people in that country. Persons who apply for the programs at Poly are carefully screened by a student-faculty committee and the four finalists chosen make applications to the American Field Service head office in New York. They in turn base their final selection on scholarship and activities, and on the student's personality and social adjustments. The ultimate goal of the American Field Service is universal peace gained through knowledge and understanding of the peoples of the world.

The Daughters of the American Revolution confer the Good Citizen award upon a senior girl who is selected by the administration and faculty of each high school. She is chosen on the basis of service, dependability, leadership, and patriotism. Poly's recipient of the award was **ALICE RUSSELL** who was qualified to compete for further awards in state-wide competition.

The National Office Management Association gives spelling tests each year to sophomores, juniors, and seniors. It is quite a record to have a perfect score on the three tests given to sophomores, the three given to juniors, and the two given in the senior year. A beautiful plaque engraved with her name was awarded to **ANNALEE RUTTER** for her outstanding achievements in the business field.

Los Angeles State College sponsored a Foreign Language Field Day for all Southern California Language students. There were six events for French, German, Latin, and Spanish and certificates were awarded to first, second, and third place winners. **JIM**

SHETTERLY, JEFF JONES, GARY ROLLEFSON, and **TONY VIENNA** made the team that won First Place for second year German students. **HINRICH SIEVEKING**, one of our exchange students, won First Place in the Native German speech event. Second year French students **YUKI OKUBO, CYNTHIA BROCKETT, JAN ENGER,** and **KAY WESTALL** won Third Place in their event.

The award **NANCY WALLACE** received was the Bank of America Award for Homemaking. She won it on the basis of scholarship and her work in homemaking. Nancy will have completed five semesters of homemaking when she graduates. She then plans to continue in this line of study at Long Beach State College as she plans to become a home economist.

The Tuberculosis Foundation sponsored a speech contest among Poly, Wilson, and St. Anthony students. The Toastmasters of Long Beach judged the various speeches, and **HOLLEY WOOLF** was chosen winner of the girl's division. Giving her speech before different community groups, Holley was instrumental in helping others realize the significance of Tuberculosis Seals.

Girls' State is a convention of 400 girls held at the Davis Campus of the University of California. Poly's representative, **FAITH ZINK**, is sponsored by Petersen Post of the American Legion Auxiliary. She was selected by the faculty and principal to spend a week learning of our government.

Boy's State is a convention of 800 boys from various schools in California. It is held in Sacramento during the summer **RON WETTEROTH** was selected to be Poly's representative this year. The purpose of Boys' State is to educate today's youth in the duties, rights, and responsibilities of American citizenship.

fall semester

Under Steve Searson's capable leadership the fall semester was very successful. Besides fulfilling the usual duties of Student Body President, conducting assemblies and weekly council and commission meetings, Steve made arrangements for Homecoming, planned Activity Book sales, supervised a number of Hi-Jinx, and was responsible for presenting a sportsmanship award to Lakewood High School. He also ran many pep assemblies and was called upon many times to represent the school for receiving various sport or activity awards.

Along with being an outstanding president of the school Steve was in many campus activities and held offices in a number of organizations. He was president of the sophomore, junior, and senior classes, and acted as president of Boys' League. He was an active member of Letterman's council and junior varsity baseball. He is a recipient of the coveted Two Jeweled "L" Award.

Steve has done an outstanding job at Poly as a leader as well as a scholar. Next year he plans to enter U.C.L.A. where he will major in business administration.

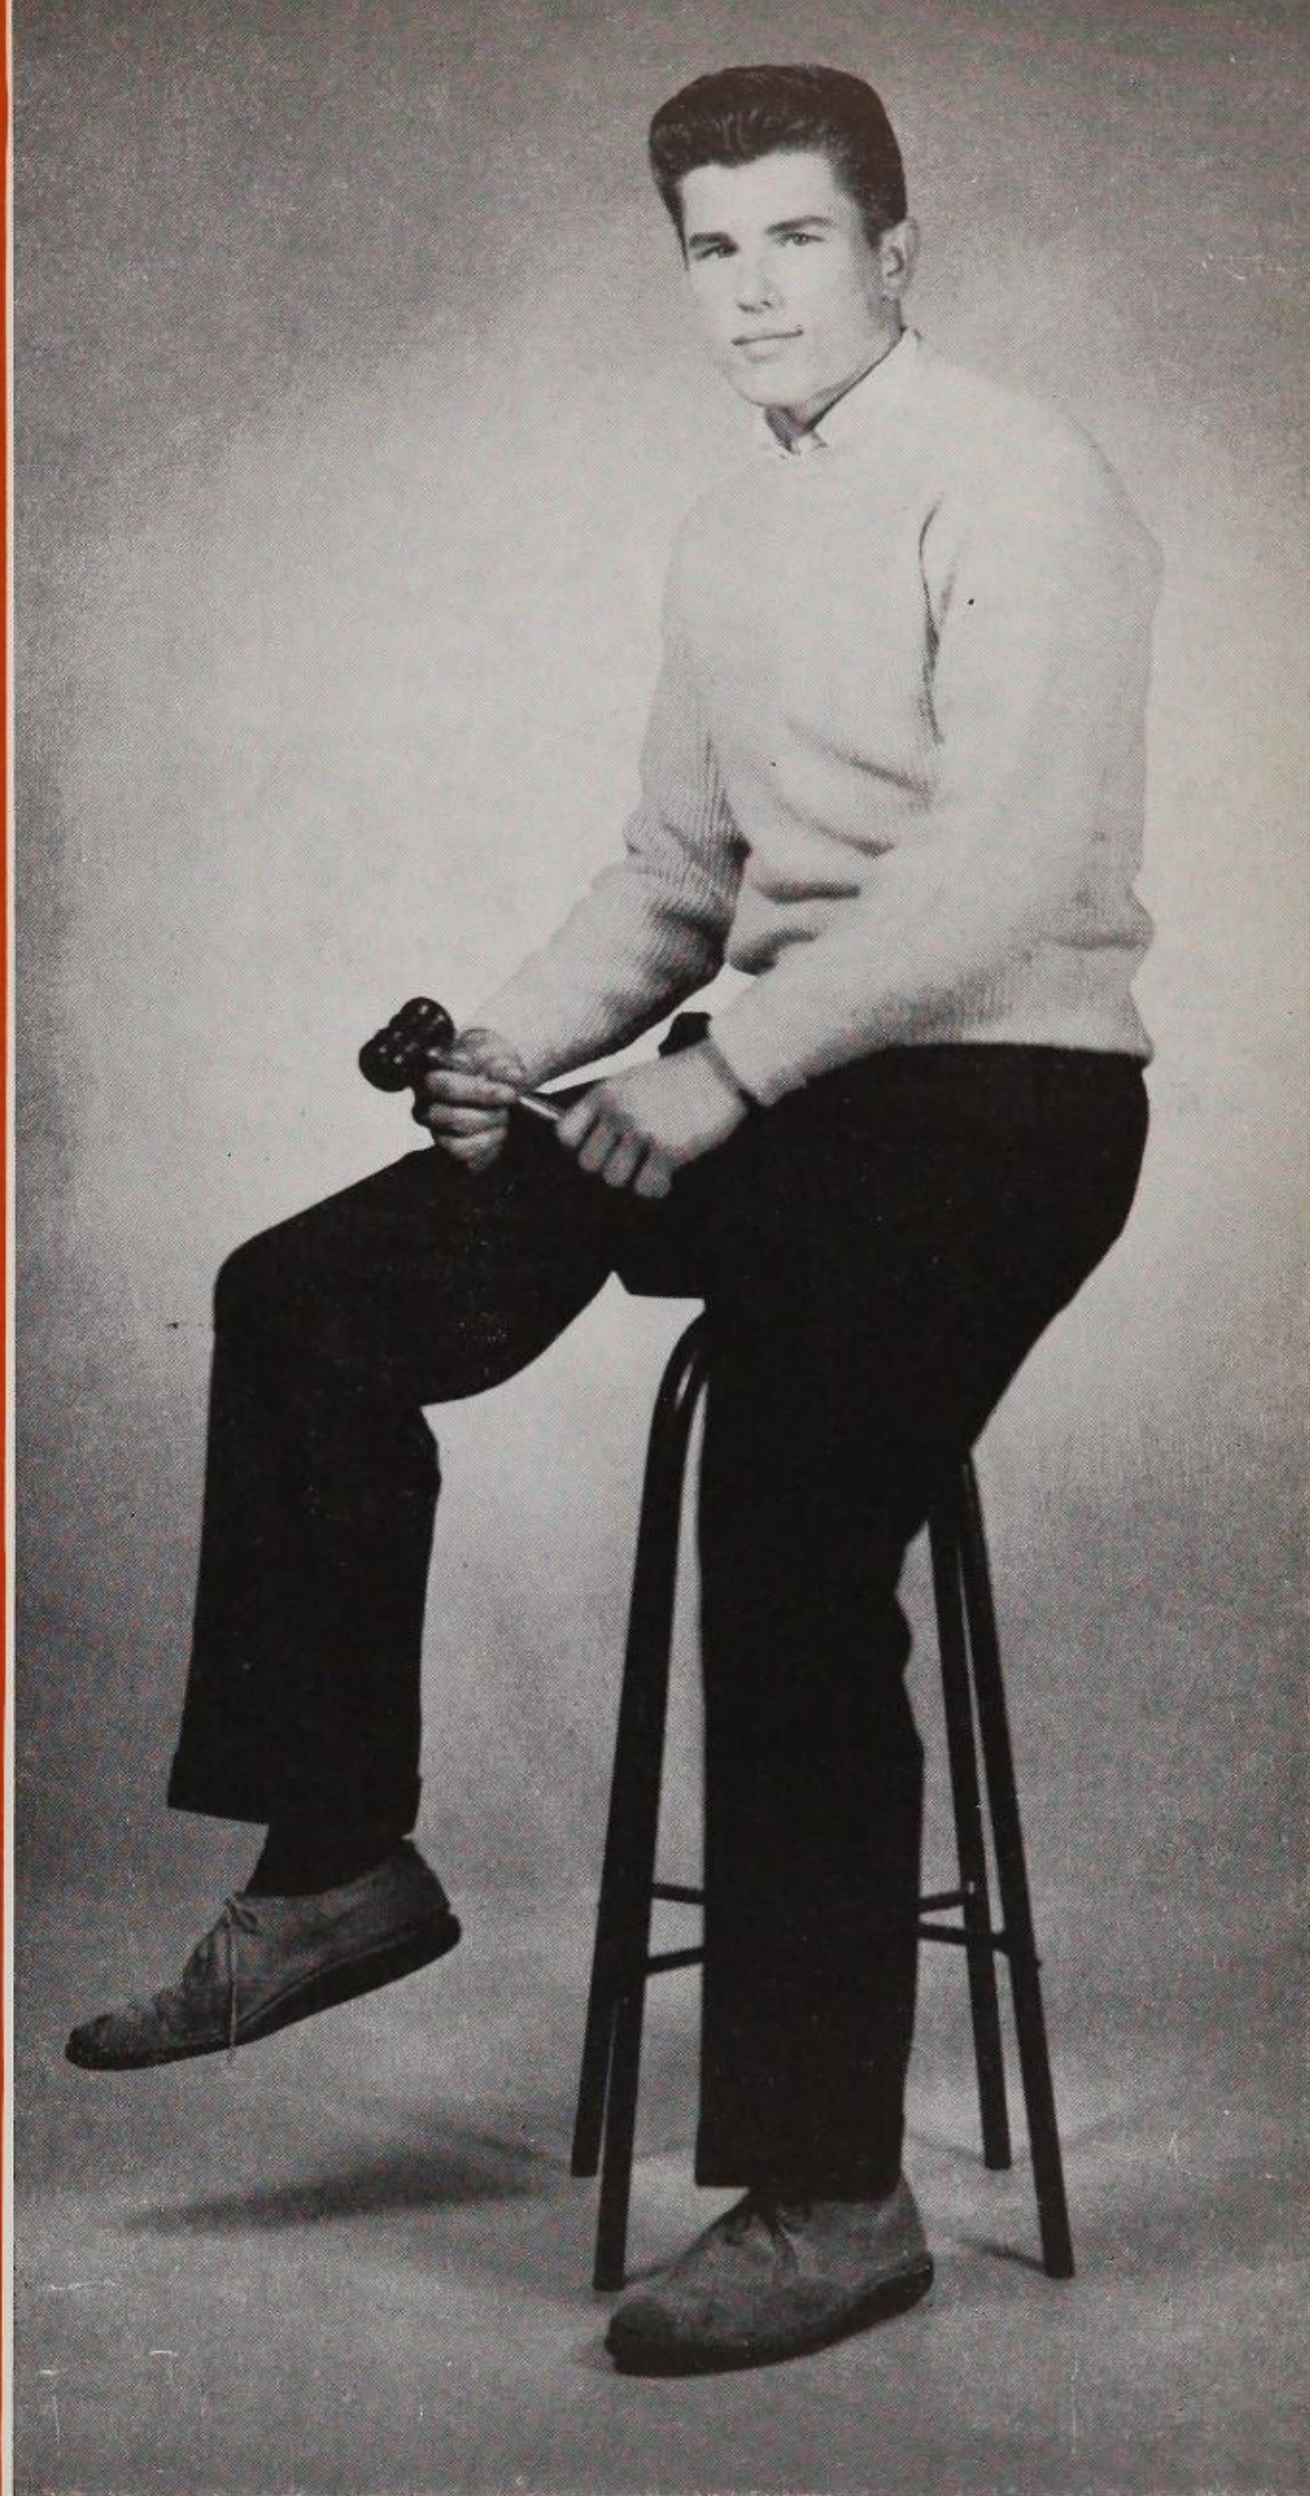

Kenny Bond, possessing outstanding leadership ability, did an excellent job of fulfilling the duties of Student Body President. He headed numerous activities which including the exchange assemblies and junior high orientation programs. He also conducted the duties of Student Body President by presiding over weekly commission and council meetings and over all assemblies. He led such programs as the Campus Clean-Up Campaign, the American Field Service share drive, and the revision of the Student Handbook. He was instrumental in the founding of the American Field Service Club and helped to plan many of the senior activities.

Kenny took part in other activities while at Poly. He was president of social club council and a member of ROTA Club. He lettered in Bee basketball and received his Jeweled "L".

He has many fine qualities which all seem to spell out success. Next year he plans to attend Long Beach State College and major in business administration.

BOY'S LEAGUE FACULTY BASKETBALL GAME

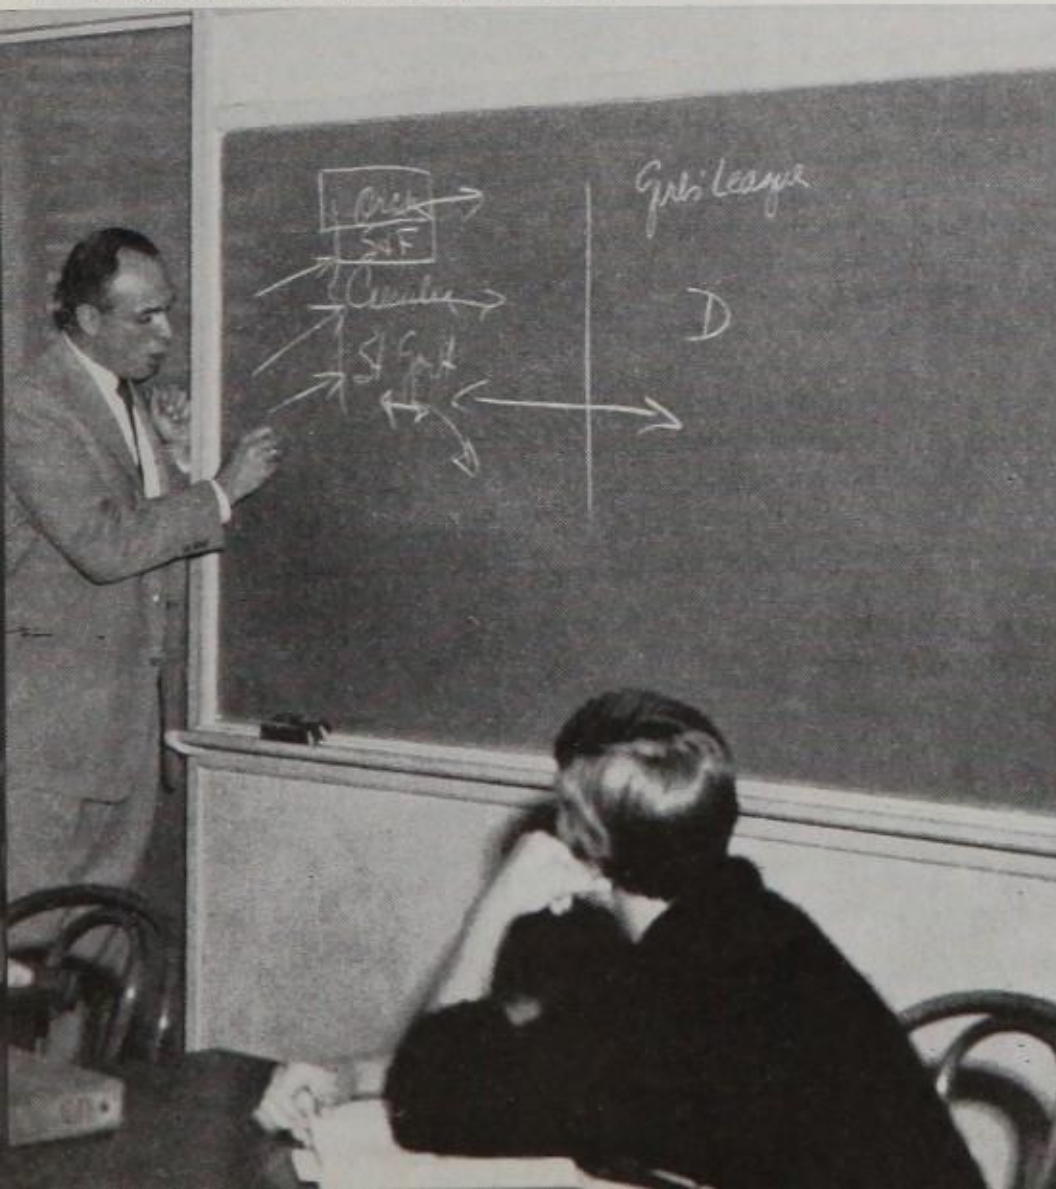

Boys' Leaguers and faculty members fight for the ball during some fast action at the Boys' League - Faculty Basketball game. To the dismay of the Leaguers the faculty won 47-46.

Winners of this year's Beard Growing Contest sponsored by Boys' League were Dennis Sechrest (standing), Jerry Horn, and Charles Fullerton. (Pictured in lower right corner.)

Mr. Miller, Director of Activities, instructs Student Government on finance. He is the man behind the scene for all activities and assemblies produced at Poly. A lot of thanks is due this faculty captain for our successful student body functions.

Student Government, both spring and fall semesters, is made up of the Student Body President and Commissioners, officers of the larger campus clubs, and the presidents of the three classes (sophomore, junior, senior). Taught by Mr. Miller, members of this class learn parliamentary procedure, finance, and how governments of the world are run.

Council meeting is held each Tuesday. Representatives of the campus clubs meet and discuss future activities and any other problems which may confront them.

Commission meetings were held on Thursdays. The Commissioners plan Student Body functions and serve as liaison between the Student Body and the administration.

Each Commissioner has special duties to perform as a member of Student Government.

The Commissioner of Affairs is in charge of publicity for student activities and co-ordination of assemblies. In addition, he represents Caerulea, High Life, and Scholarship on Commission.

The Commissioner of Arts supervises posting of advertisements, arrangements in display cases, and selecting of Student of the Week.

The Commissioner of Athletics presides over athletic assemblies and home games, and represents Boys' athletics and Lettermen's Council on Commission.

The Commissioner of Organizations presides over Campus Club Council and represents fraternities, sororities, and Campus clubs on Commission.

The Commissioner of Safety handles fire drills and represents Boys' League on Commission.

The Commissioner of Welfare conducts Student Body elections and represents Girls' League, G.A.A., and Junior Red Cross on Commission.

The Commission Secretary has charge of all Commission Records.

In addition, the members of Student Government carried out such projects as the purchasing of a new projector, installing a new vote counting system, planning of senior activities and sponsoring the first "Hi! Day."

Porter Day, when girls become beasts of burden for the masculine host on campus, is one of the many activities carried on by Girls' League.

Many successful activities were carried on by this year's Boys' League. Their major undertaking was the sale of programs at football games. The proceeds from these sales went towards a fund from which fifty dollar scholarships are granted to two deserving seniors each year.

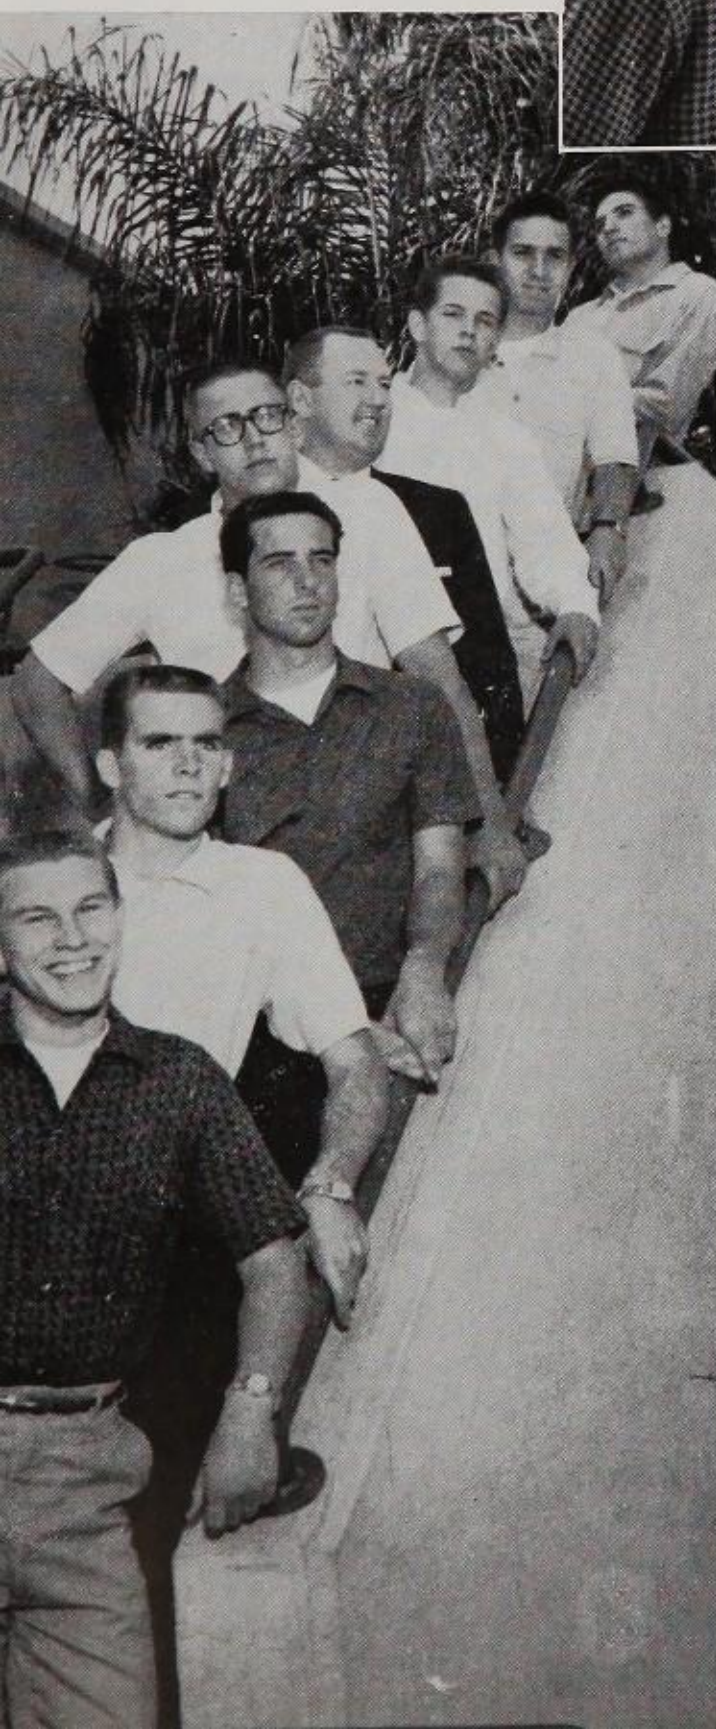

Outstanding intramural football and basketball programs were carried out under the direction of Boys' League members. Examples of their endeavors include such things as the faculty basketball game and the Annual Beard Growing Contest.

The Executive Board of the League attended many conferences throughout the year. The new ideas they gained should prove to be valuable in making next year's chapter just as outstanding as this one has been.

homecoming queen

Betty Davis

Lovely Miss Betty Davis reigned as Homecoming Queen over Poly's 1959 festivities. She ruled with graciousness and smiles, assisted by the four Princesses of her court pictured on the opposite page.

Betty has not only been the celebrated lady of the campus but has proven to be an outstanding editor of our exceptional school newspaper, "High Life." She plans to continue her education at Long Beach State College.

Tennis, swimming, and various other outdoor sports interest this popular and attractive girl, but the field of dentistry is at the top of her list of vocational choices.

Poly thanks all of these queenly candidates for wearing the robes of court with such regal aire—it surely set the stage for our championship season.

Intensifying the high school spirit at all the major events were our popular and enthusiastic Yell Leaders. Keeping the crowds yelling and cheering at all times was a full time job for our Yell team. With their aid our athletic teams usually came out on top.

Backing up the boys with their clever dances and routines were the ten Song and Flag Girls. Flags briskly flying through the air and pom-poms continually waving kept the spectators interested and active.

Our three lovely majorettes also added a great deal to the enthusiasm of the games. Their help in leading cheers, marching with the band, and aiding in special ceremonies was invaluable.

campus clean-up

The purpose of Campus Clean-up is to keep campus perfectly clean (doing away with such unsightly sights as papers scattered on the lawn, scribbles on the walls, etc.).

Campus Clean-Up club worked hard this year through Campus Captains and poster campaign which informed the student body as to the use of trash barrels. They sponsored Clean-Up Day and hopes that a clean campus would stay just that way.

Clean-Up Day activities included washing walls, picking up papers and other forms of litter, and rejuvenating trash barrels and other campus features with fresh coats of paint.

teen tavern

The members of the Teen Tavern were very fortunate this year to have a beautiful new canteen built for them. The building is completely modern and is equipped with the latest social and recreational facilities.

Members participated in the Long Beach Youth Council and all the tournaments scheduled for them by the Council.

The Teen Tavern held a variety of special dances including such varied themes as Kitty Hop, Home Hop, and the Tavern Round-Up.

The first semester president was Alley F. Calhoun. Second semester president was Bill Wainington.

hutch

The Hutch canteen, a veritable Friday night Mecca, attracted large crowds after the basketball and football games. It was the "place to go" to dance, play ping pong or pool, watch television, or just talk to friends. Snacks were available to the students at the snack bar. Some of the many successful dances held at the Hutch included the Homecoming Dance and the Mad Hatter Hop.

Fall Semester president was Winkie Antonitz. Charles Shackleton held the office Spring semester.

caerulea staff

Early in the school year, the members of the Caerulea staff generated a new excitement — a new enthusiasm — to result in a dynamic product that was to be new! and vigorous! and stimulating! Imagination became a motivating force to produce the interesting and the unique.

In a short time, it was suddenly understood that there was something special behind the drive. It was more than wild frenzy to create; it was directed energy of a closely-knit team—working with many talents to conceive a publication that would exemplify the consequences of young people working together toward a specific goal. Sophomores, Juniors, and Seniors lost their class identification as the students became "the Caerulea staff."

It is no wonder then, that we of the Caerulea staff are so pleased with our efforts. We take distinct pleasure in not being able to say that I did this page or that this was my idea; rather do we boast that we formulated this idea and that we drew up that plan.

We trust that you will agree that the persons to profit from this relationship is the reader—as well as the member of the staff. We are confident that we have produced an annual that you will be proud to have and even prouder to hold up as an illustration of what can be accomplished when dedicated people work together in harmony.

We hope you will like our book.

Many people in addition to the Caerulea Staff helped to produce this yearbook. The Staff expresses its deepest thanks and appreciation to the advisor, Mr. Don Ulrich, for his unending enthusiastic efforts and assistance, Mr. Carl Johnson of Martel Studio for the photography, Mr. Marc Ross whose able wit helped with much of the copy, Nelson's Engraving House, the printers — Nick and Bill Edwards of Queen Beach Printers, the S. K. Smith Company for the book covers, the bookbinders — Bindex Corporation, and Mrs. Lavelle Hays and Miss Marge Smith for their wonderful help.

Steve Brackett, enthusiastic photographer, took many of the excellent sport photos published in this book.

New ideas was the motto of High Life this year. Rushing for deadlines with completed stories and chasing down leads of information, the reporters of the High Life Staff faithfully brought out an edition every two weeks.

Assisting the capable adviser, Mr. Kenneth Jensen, were the Editors-in-chief: Coula Paulos, first semester, and Betty Davis, second semester. First semester managing editor was Betty Davis. Holding the job second semester was John Stacy.

Highlighting the paper this year was the issuance of a special alumni edition, dedicated to Miss Marjorie M. Smith, and featuring writings by famous and important Poly Alumni.

Special innovations such as printing the St. Patrick's edition in Kelly green and the "Whatsit?" contest kept interest active. The lively columns such as **Campus Chatter** and **Moore Talk**, **Suzi Sassback** and **Fads 'n' Fashions** kept everyone up with the latest news. For the esoteric there were the Book Reviews and for the Funny bone the stories and cartoons by Stacy. The Hobbyist on page two could be expected to run anything under the sun under his by-line and often did just that.

gallery class

The Howard H. Hicks Memorial Art Gallery is something quite unique in a high school. It is the showplace for much of the art work produced at Poly and in the community and has become famous for its creative exhibits and special art shows.

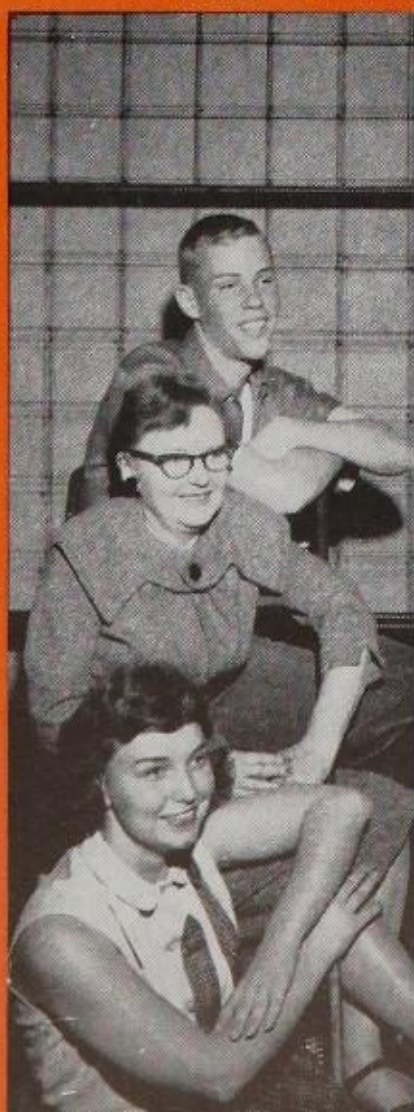

Among the excellent presentations in the Gallery the International Red Cross art exhibit brought Poly the distinction of having the only showing of this display in Southern California. The Autophosis was another tremendous success which exhibited many outstanding custom cars belonging to Polyites.

Never enough recognition can be given Miss Elsa Warner, who is one of the major figures in art in the Southland. Her guidance of the gallery has made it the outstanding showplace of art.

Bob Burgess and Penny Rogers are obviously receiving some stage direction from the drama coach, Mr. Siriani, during rehearsal for the drama club's one act play "Red Peppers." The couple sparked the show with a lively sailor song and dance routine.

Sam Siriani is a vital force in the production of good drama at Poly. Here we see a typical "ironing out" session on the set.

masque and sandal

Producing some of the nation's top entertainers is the Poly Masque and Sandal Class. The students graduating from this active class receive good background in dramatics and have sound basis for receiving jobs in show business.

Performances by them this year at Poly have excited and pleased many students and teachers. Among the many they have been associated with were their popular one-act plays and the year's outstanding Christmas production.

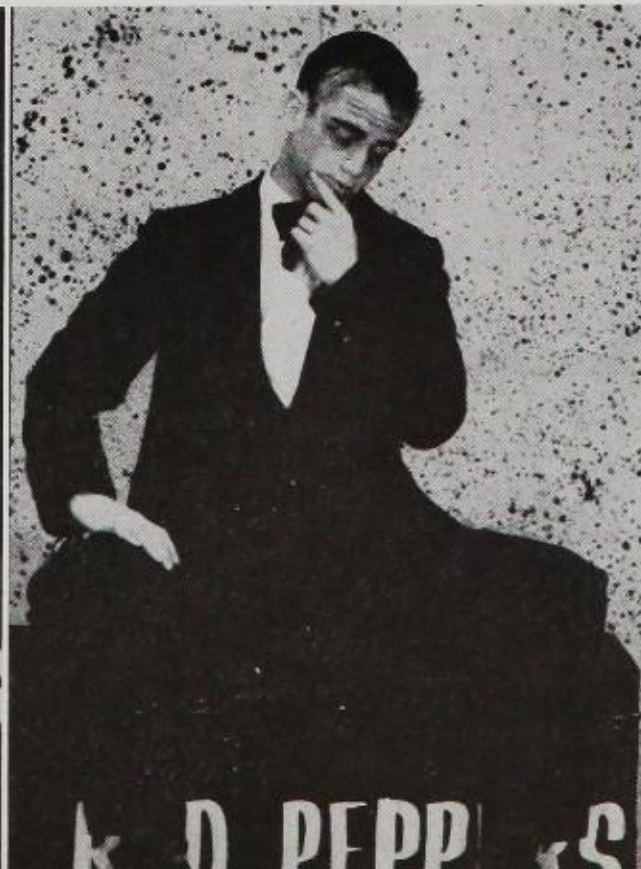

Their greatest triumph was the marvelous Senior Play, "Ten Little Indians." This mystery thriller by the incomparable Agatha Christie gave great pleasure to all that saw it.

band

The clanging of cymbals, the blaring of trumpets, and the rhythmic beating of the big base drum, mingled with the shrill tones of the piccolo, the moan of a saxophone, and the ringing of glockenspiels tend to excite an already enthusiastic crowd. The marvelous music of this year's celebrated marching band was no exception.

Sixty-five colorful musicians marched onto the field at all home games determined to inspire their team to win. And aided by this spirit, win they did! It took more than just a top rate team to gain that victory; it was the enthusiasm of a huge student body thrilled by the game and the music of this organization that really pushed them to the very top.

We give thanks to all the members of the band for a difficult job well done, and to Mr. Robert Dill, under whose masterful baton they played.

It is the consensus at Poly that when the Madrigal Singers perform, everyone listens. Such praise is well-earned. At the annual Poly Christmas Concert, the Madrigal Singers left a deep impression that stirred every member of the audience.

As members of our community look to Poly for its musical entertainment, we may take special pride in the efforts of this fine enthusiastic group.

madrigal singers

Outstanding in every performance they've given this year have been the talented girls of the Senior Girls' Glee Club. These experienced singers have made lasting impressions on all of their audiences.

It has been a busy but rewarding year for this celebrated group. Among their many appearances were the Choral Festival in Los Angeles, the show given for the officers and crew aboard the Aircraft Carrier Kearsarge, and the performances for our own school assemblies.

a cappella

It would be far easier to identify the activities in which the musical groups at Poly were **not** involved than to attempt to list the events in which they did participate. One of the most active of our music aggregations is the A Cappella Choir. Their appearances in concerts for the P.T.A., on board the U.S.S. Kearsarge, at the Millikan Music Festival, at the Masonic Open House — we could go on and on — invariably proved to be the highlight of the entertainment. Choir Director Arthur Gilbert has brought undeniable prestige to Poly with an A Cappella Choir which has no peer.

costume construction

Bunny rabbits for assemblies or Ivy League Suits for the Senior Play, Stage Costume class produced them with tasteful design and excellent skill, adding immeasurably to the success of Poly productions during the past year. Pictured below are three scenes from the Christmas program presented through the combined efforts of the Music, Drama, and Stage departments.

Christmas card designs were used in scenes pictured below for the 1958 Christmas program. The Music, Stage, and Drama coordinated time and talents in producing this cheerful Yuletide entertainment.

stage design

Many people tend to ignore the importance of scenery in a stage production until it is missing or is poorly made. Our scenery has been of such excellent quality and design this year that it has blended almost professionally with the general effect of our productions.

The stage designers gave the sets the inspiration which put the audiences into worlds of imagination and fantasy. The stage craft and construction crews executed the designers' plans with superb workmanship, further completing the quality of scenery for this year's production.

With proper audio and lighting techniques the stage crew added the final "just that perfect" effect to all the assemblies and plays.

A state of confusion would exist without the aid of the library assistants. They help the librarians in processing and circulating all books which come into the library. The library assistants not only help to keep order in an active and vital branch of our educational plant, but they learn the rudiments of library organization and management.

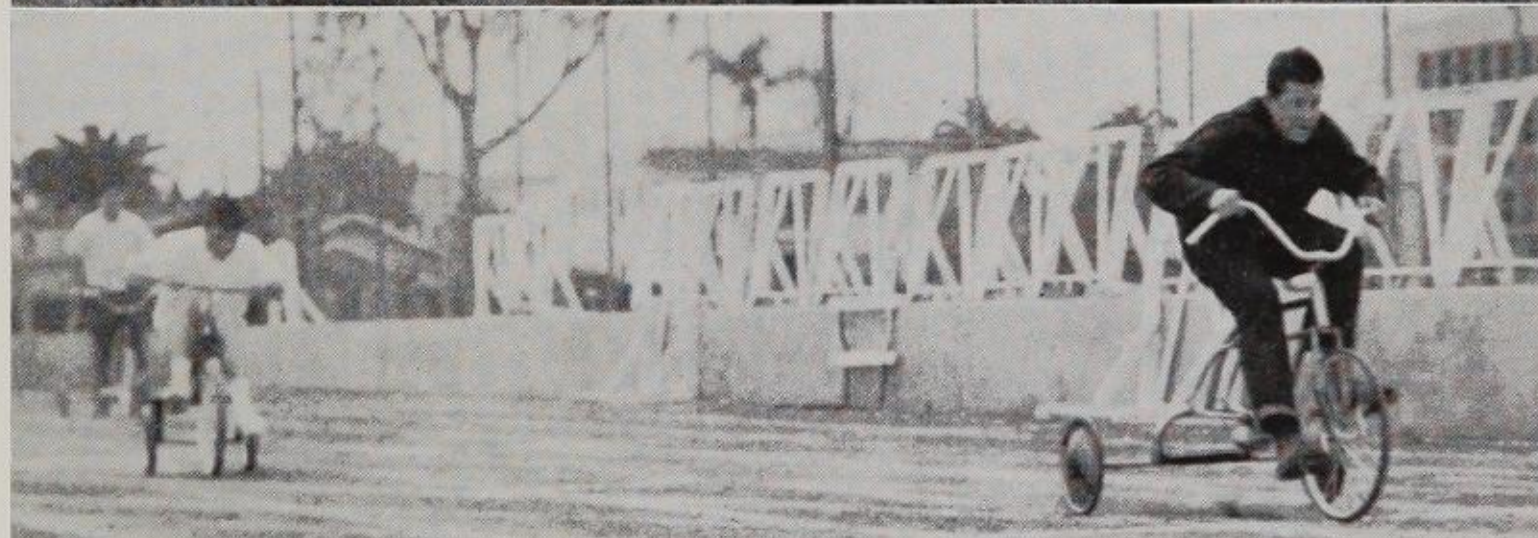

There was a time when a bomb explosion or a woman's scream or the sound of an automobile crash would cause, at least, a raised eyebrow. Now, a Polyite merely shrugs and comments that the the members of the Poly Radio Workshop are working on a new script.

Various fraternal organizations in Long Beach and listeners to FM station KLON have had occasion to appreciate the work of this special class. They have been called upon to perform everything from a swingin' version of "Cinderella" to a spine-tingling version of "The Man Without a Country." The class, open to approved students only, is a highlight of the day for all members.

The enthusiastic crowd is in the bleachers cheering their favorite racers as they approach the starting line. The gaily decorated vehicles are driven out of the R.O.T.C. rifle range and are entering the track which is now in a state of confusion. The crowd comes to a slight hush, the contestants are waiting feverishly on the starting line, the gun fires and the Scarabs are off! It's going, going, and is over the finish line to capture the title of winner in the girls' division of the Caerulea Trike Race. As the boys' competition closes we see the Delphi Trike crossing the finish line to victory.

The trophies were presented to the winning clubs by Charles Shackelton as the runner-ups gathered around to congratulate the Scarab and Delphi winners. The air vibrated with the noisy, boisterous phrases of the Scarabs' song. Delphi gave a big cheer for their exciting victory. All in a day's enjoyment at the Caerulea Trike Race.

Enthusiasm is that infinite spark which gives man the power to do the extraordinary. Our potential, which normally lies dormant waiting for that touch which brings out the best in each of us, takes only one sincere and optimistic belief to illuminate our achievements. At Poly this has been clearly demonstrated by the successes our student body has achieved in scholarship and athletic competition. This yearbook becomes a part of our proud heritage and is appropriately dedicated to Poly's ENTHUSIASTIC SPIRIT — the key to success.

Look Ma! I caught it — just like Dee! If the Polyites had sat beside Mr. Philips in the Press Box, they would have been aware of the twelfth man on the field. Cigars disappeared by the gross. Knuckles were pounded raw. Brows were furrowed when everything didn't go according to plan. And when things went right — ah, the whole world was right! And with the Championship football in his hand, everything was right. "Look Ma!"

Principal Neil Philips clutched his prize. He had earned it.

He says his name is Miller and that his hobby is counting money — In a school of over three thousand students, it stands to reason that the handling of finance is no mean task. Poly has had Mrs. Lavelle Hays as its School Banker for many years. We are indebted to her for her concern.

Miss Smith, can you explain your absence of yesterday? Nobody on the Poly campus has taken a more sincere interest in the students than Miss Evelyn Lofland. She is mother, sister, confidant, and sometimes stern disciplinarian. But, above all, she is a woman with a warm heart and a keen concern with young people.

A very great honor for a very gracious lady. The Poly P.T.A. expressed its gratitude to Miss Dorothy Himes for the consistent fine teaching of the young people in our community. Miss Himes has gained the love and respect of all her students from her very first days at Poly. P.T.A.'s life membership is a token of appreciation that all of us feel for this wonderful educator.

counselors

Some times, in the excitement and enthusiasm that comes from school spirit, we are inclined to overlook the size of this great school of ours. Poly High School is larger than many small towns across the country! As a result, it becomes doubly important that the faculty and administration maintain contact with the students. This task becomes the major assignment of Poly's fine counseling staff. It has been their opportunity to establish close relationships with the students with the express desire of being of valuable assistance in preparing the graduate for his future. To this end, the counselors, headed by Dr. Ernest Ladd, have administered and interpreted tests, guided registration procedures, provided job references, secured scholarships, prepared transcripts, and, in short, done all of the research that is necessary in preparing young people for college or a vocation.

No small part of whatever successes Poly graduates may have may be directly or indirectly traced back to these helpful people.

How about mixing root beer, orange, and coke and calling it something? Most of the time, the student store is a nice quiet place on campus. But, during the snack and lunch periods, it is the center of a holocaust! Hundreds of grubby hands, holding hundreds of tickets reach for hundreds of candy bars, ice cream bars, and cups of slush, and send the students screaming to safety behind the popcorn machine. But, after a few moments of storm, peace returns and all is serene once more. Marge Lohmeier sighs and suggests something about putting whipped cream on the pencil erasers to make them sell faster.

What do you think of red and white stripes, Mr. Newland? No, the person perched on the flag-pole hasn't decided to give the "candy" look to Poly. He is, instead, threading a new pull-rope for the flag. (Polyites will, however, see a new look in the American flag when they come to school in the fall with the addition of two new stars.)

Take it easy, Mr. Philips, I made it myself. Doubtlessly Mr. Philips' robust figure can be attributed to the excellent refreshments offered by the some economics department at many of Poly's social meetings. At any rate, one student is standing by to see the look of approval on Mr. Philips' face. (The gentleman in the background seems to be standing by for his approval, too.)

Will the meeting please come to — girls! Will the meeting please come to — girls! Will the meeting — okay, let's chat. Pictured below are the board and chairmen of the Poly P.T.A. which took an active part in bettering our school life. The organization informed all Poly parents of monthly activities through their publication called the Hareline. Afternoon coffee hours gave neighboring parents the opportunity to express their views with Mr. Philips and the counselors. A fund raising Tea and Fashion Show were tremendously successful and concluded their year of enthusiastic activities.

Some people claim that the teachers are guiding the minds and habits of our community's young people. Maybe. But the folks who feed the students (could I have the big piece of pie, please) and the folks who clean up after them (I thought I hit the Bunny Bucket) and the folks who keep the records (I used to live there but we moved two years ago—didn't I tell you) are the ones who really keep the wheels turning. So, three cheers for this group: **RAH!** for the cafeteria workers, **RAH!** for the custodians, and **RAH!** for the clerical staff. Poly High School — **RAH RAH RAH!**

Discussing one of Bill Mulligan's spectacular plays are, from the left, head coach Dave Levy, line coach Don Hardage, and backfield coach Mulligan.

Levy, who has been head mentor here at Poly for just two years, is a graduate of UCLA, where he played varsity football and participated in the Rose Bowl. Hardage, a graduate of Southern Methodist, did an excellent job in molding our relatively light line into one of the roughest front walls in CIF.

Mulligan, who came to us from the University of Chicago, was the brain behind the seemingly impossible yet very successful backfield maneuvers that were responsible for many touchdowns and even more thrills which we shall long remember.

"Swift" Dee Andrews is swarmed upon by a horde of San Diego cavemen after a long gain during Poly-San Diego CIF battle at San Diego.

Hare scat-back Dee Andrews is mobbed by a flurry of Colton defenders after negligible yardage. (Second picture, right)

Every good football team has its award winners. Poly is no exception. Dee Andrews is the CIF Player of the Year, first string All-CIF and All-City; Todd Jagerson, First string All-CIF and All-City; and Bob Banks, Lonzo Irvin, Willie Brown, Gary Olson, First string All-City.

varsity football

Many thrills, big and small, are experienced by all high school football teams. A championship season always gives additional excitement. Such was Poly's football season, one with thrills galore.

Winning the CIF Championship was undoubtedly the high-point of the campaign since our boys did it for the first time since 1938. When the final gun sounded in the Santa Monica finale, a feeling of great joy and proud dignity swept over the Rabbit bleachers of the Coliseum.

After winning the Moore League undefeated, Poly entered the CIF play-offs against North Torrance. There something happened that will always be remembered. You know the familiar story. With two seconds remaining in the game, Bob Banks caught Willie Brown's 55-yard pass in the end-zone, breaking a 13-13 deadlock. North would have won that round because they led in first downs 10-6.

Then there was the time in the San Diego game when eventual CIF 'Player of the Year' Dee Andrews was taken out with a 'broken collarbone.' What a thrill it was to learn that the so-called broken bone was only a pulled shoulder muscle and that Dee would soon be able to play again.

How relieved we were when a new transfer from Hawaii, Willie Martin, could step in and take over Dee's place in the ensuing third round game with Colton. A score of 41-27 enabled us to advance to the Coliseum finale.

Another thrill was the election of Andrews as the CIF Player of the Year. His long touchdown runs will long be remembered at this 'home of scholars and champions.'

All in all, this was one of the greatest seasons on record at Long Beach Poly High School. These are just a few of the big thrills. Many were experienced that were never brought to light. One thing's for sure: Poly is the 1958-59 CIF football champs.

Coaches Dave Levy, Bill Mulligan, and Don Hardage advise the CIF Champs on some important strategy. As the Jackrabbits went undefeated, it must have been just what the doctor ordered.

J-V football

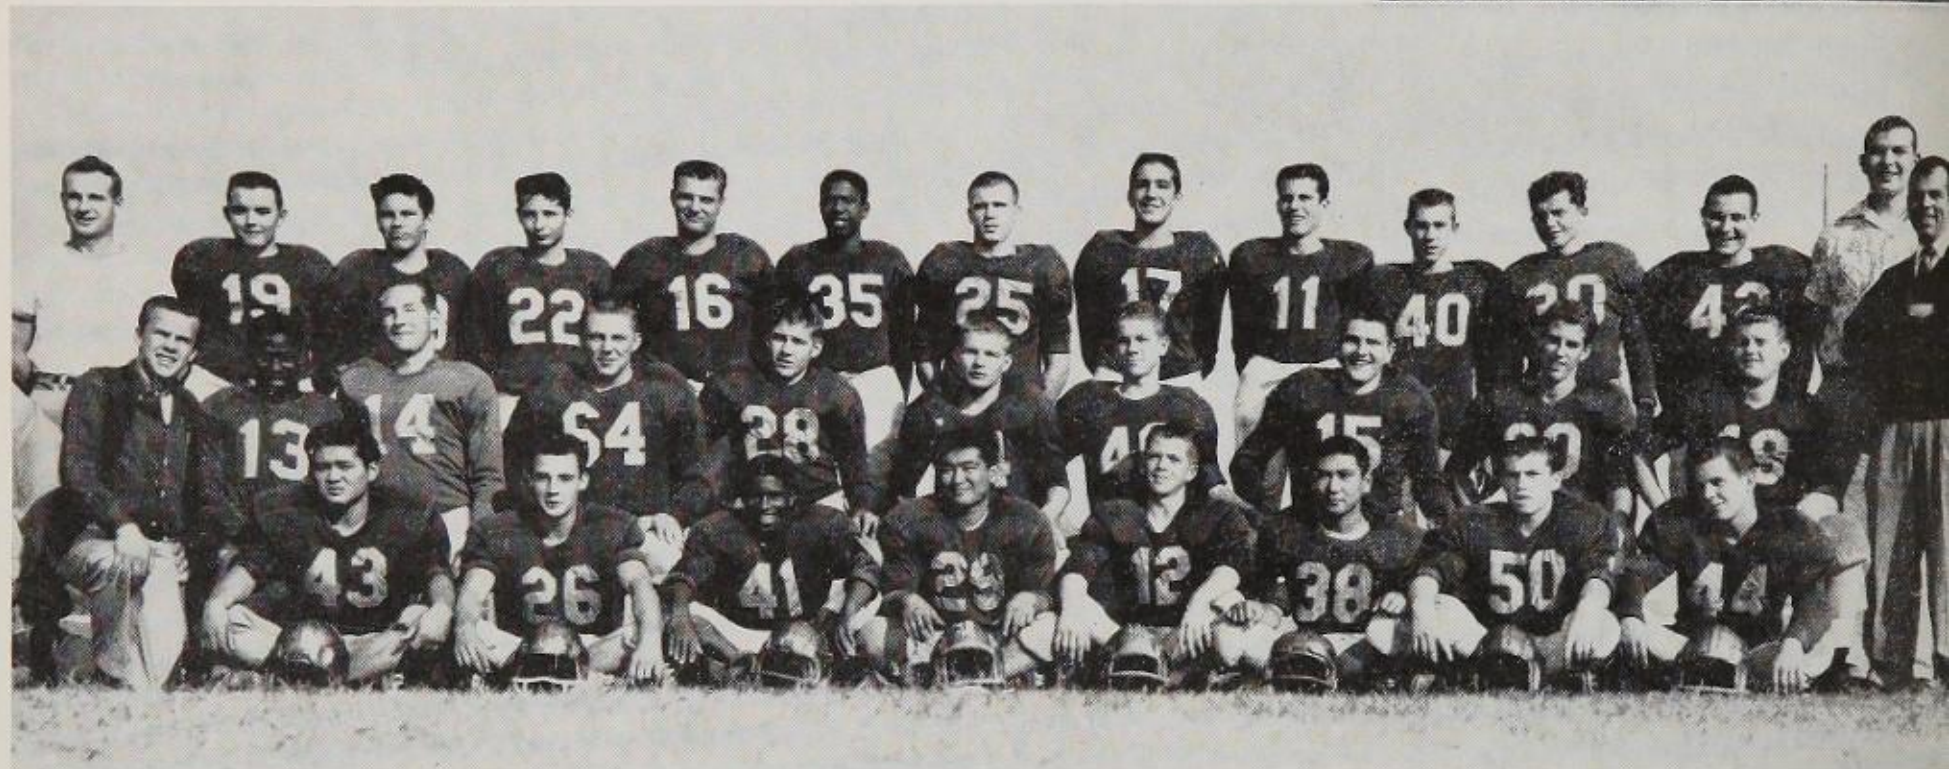

Bee Coach Sam Dimas and JV Coach Will Foerster discuss some important plays.

Coach Bill Foerster's Jay Vee Football squad ended up the season with one of the finest records in the past few years.

Under the fine quarterbacking of sophomore Bill Spivey, and flashy running of scat-back Kelton Reese the team was in contention for first place until the very last game of the year. The Jay Vee's squad also reported one of the finest lines in the league.

Bee football

The Bee Football squad under coach Sam Dimas had another tremendous year. Backed by outstanding personnel and coaching the bunnies tied for first place in the Moore League. The team featured one of the swiftest backfields in the League, with Dick Hada at quarterback, and Knobi Komori and Dave Iwata at the halfback spots.

A strong defensive unit also deserves a lot of credit for a highly successful season.

Look at that line !!

Line coach Don Hardage proudly watches developments on the gridiron although backfield coach Bill Mulligan seems worried. Manager Ron Wetteroth and linemen Ron Bloom and Bob Banks look on.

The 1958 Varsity Water Polo squad began the year plagued with inexperience but they improved rapidly as the season progressed and won their final four games to finish second in the Moore League.

Dave Akin led the team in scoring while goalie Art Newman was the top defensive player and was selected as the teams' outstanding player.

The Bee and Cee teams also won their final four games and both squads finished second in Moore League competition.

VARSITY BASKETBALL

Following a championship football season, many schools would find it virtually impossible to form a winning basketball team. It just isn't in the law of averages.

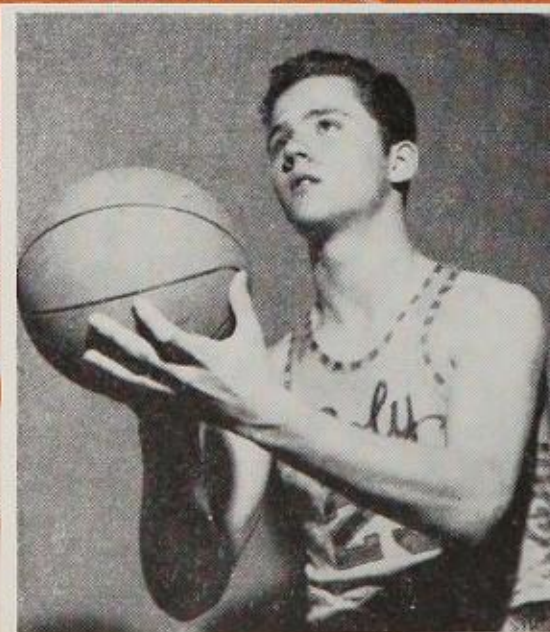

Two great coaches — Howard Lyon and Bill Mulligan — didn't think this could be true. Paced by the fabulous play of 6'2" Aron Carmichael, Poly set up a basketball empire which swept through every opposing team in the Moore League. Only once did another team come close to winning — that being Lakewood. Poly finished the league with an 8-0 record.

In the first round CIF game against Cathedral, the Jackrabbits came out on top 56-49 decision. However, in the second round, Centennial High took advantage of one of the Hares' off-nights winning in the late minutes of the game.

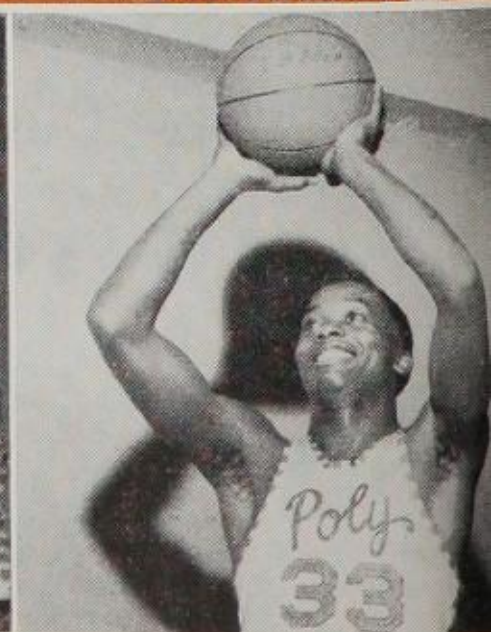

Some of the varsity starters included Dee Andrews, Willie Brown, Tom Sisk, and Bob Holland. In the Compton Invitational, Holland and Carmichael were named to the All-Tournament team, and Carmichael was also the Most Valuable Defensive man in the tourney—quite a feat. This was typical of the type of basketball players which represented Poly in the 1958-59 season. Hats off to a good year!

One of the most difficult stunts in gymnastics is the iron cross as shown by **Terry Conger**.

This seems to be one of those years when Poly cannot do bad in anything. Our gymnastics team, under the expert guidance of coach Eddie Hasson, more than supported this statement by placing second in the Moore League with a won 6 lost 2 record.

The only spot of trouble that kept the team from even greater triumphs was their weakness in depth. The three main threats on the team were Dave Whitehead, Ron Cook, and Terry Barkley. Four up-and-coming sophomores who were also very valuable were Dennis Mills, John Schuller, Larry Brown, and Blair Porter. The captain of the team was Terry Conger.

Poly's top scorer, **Dave Whitehead**, demonstrates an L position on the parallels.

Dee Andrews strains to clear the hurdle as he displays the championship form that made him the top threat in hurdle competition in the country. He won both the high and low hurdles in the CIF finals.

1959 C. I. F. TRACK CHAMPIONS

This season the Poly Track team, featuring some of the most outstanding cindermen in the state, wrote another page in Poly High School sports history. They defeated every opponent on their way to the CIF and State crowns. At the top of the list stands Dee Andrews, CIF champion in the high and low hurdles and second in the broad jump. Next is the sprint trio of Billie Simril, Kelton Reese, and Percy McCloud; these three formed the fastest combination in CIF. And finally, Dick Davis, whose times in the 880 yard run stand among the best in the nation.

Since he first came to Poly in 1946, Coach Leon Forman has led our cross-country and track teams on to great successes.

During his thirteen years at Poly 29 out of 32 track records have been smashed and many individual champions have been crowned.

On the right is Ed Rice, the very capable assistant track coach who, with Mr. Forman, has molded Poly High into one of the track giants of Southern California. Pictured at left are the C.I.F. Champions and their 1959 Trophy. They are, starting bottom, clockwise, Dee Andrews, Billy Simril, Coach Ed Rice, Coach Leon Forman, Kelton Reese, Dick Davis, and Percy McCloud.

track

Following tradition, track and field had another banner year at Poly. This year Hare spikers downed every opponent on their way to the League and CIF Championships, and a probable State Title.

Led by senior stars Dee Andrews and Dick Davis Poly was able to break and establish numerous relay and individual records, many of which are among the best in the nation.

In the dashes, Percy McCloud and Kelton Reese sprinted their way to some of the top century and 220 times in CIF. The middle distances starred Dick Davis and Dave Schinnerer. These two gave Poly that one-two punch in the 880 yard run all the way into the CIF finals at Long Beach Memorial Stadium. Davis' best time was 1:53.4.

The hurdles featured Poly's own jackrabbit Dee Andrews, who sped his way to the fastest times in the state in both the high and low hurdles.

Another strong point for the Jackrabbit squad was the one, two, three combo of Andrews, Crump, and Dickson in the broadjump.

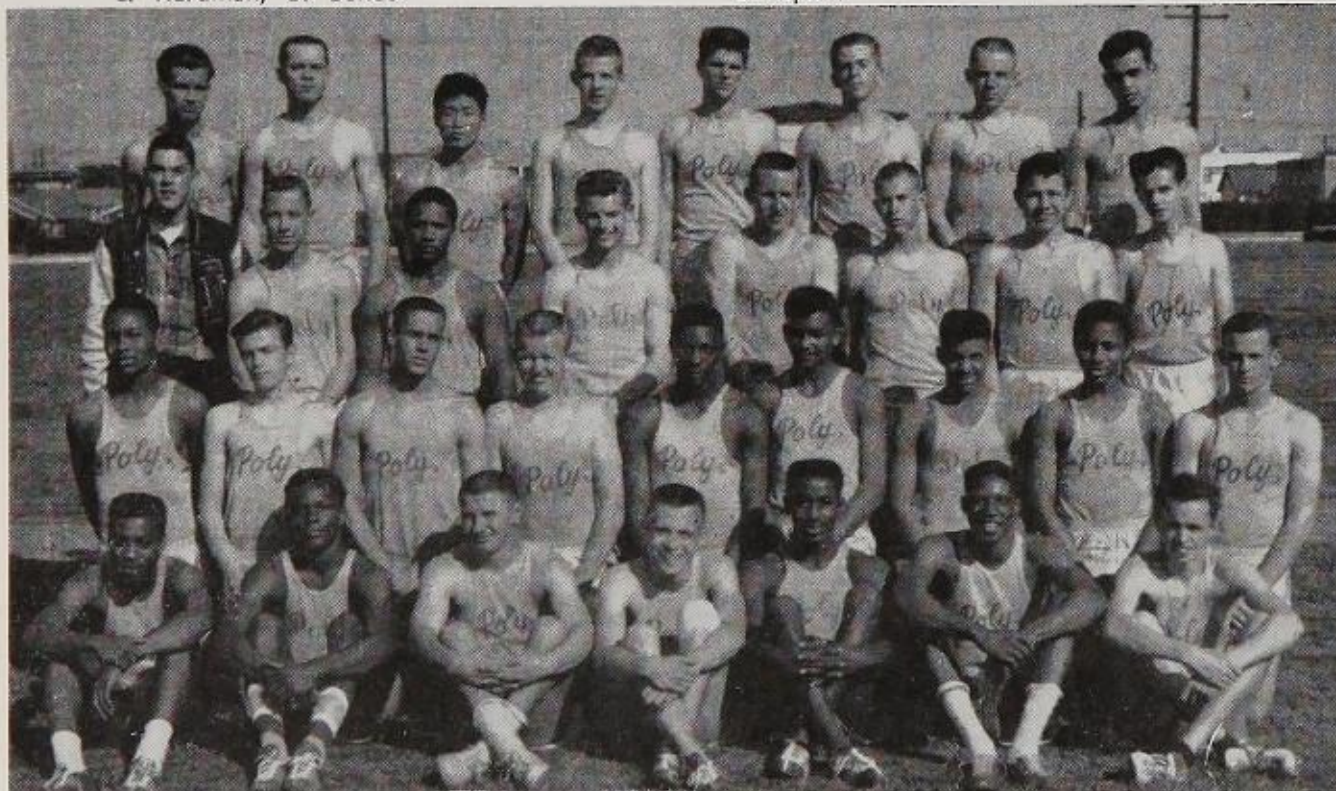

Outstanding personnel in every event with plenty of depth to get those important seconds and thirds sum up the very successful track season at Poly High, the 1959 CIF Track Champions!

In the Bee and Cee divisions many thrills and chills were prominent in virtually every one of their track meets throughout the year. Poly's junior tracksters experienced one of their best seasons in a long time, and many individuals set new meet and league records.

A few of the Bees' better runners included Monty Rubick and Willie Martin, well known for their efforts on the football field.

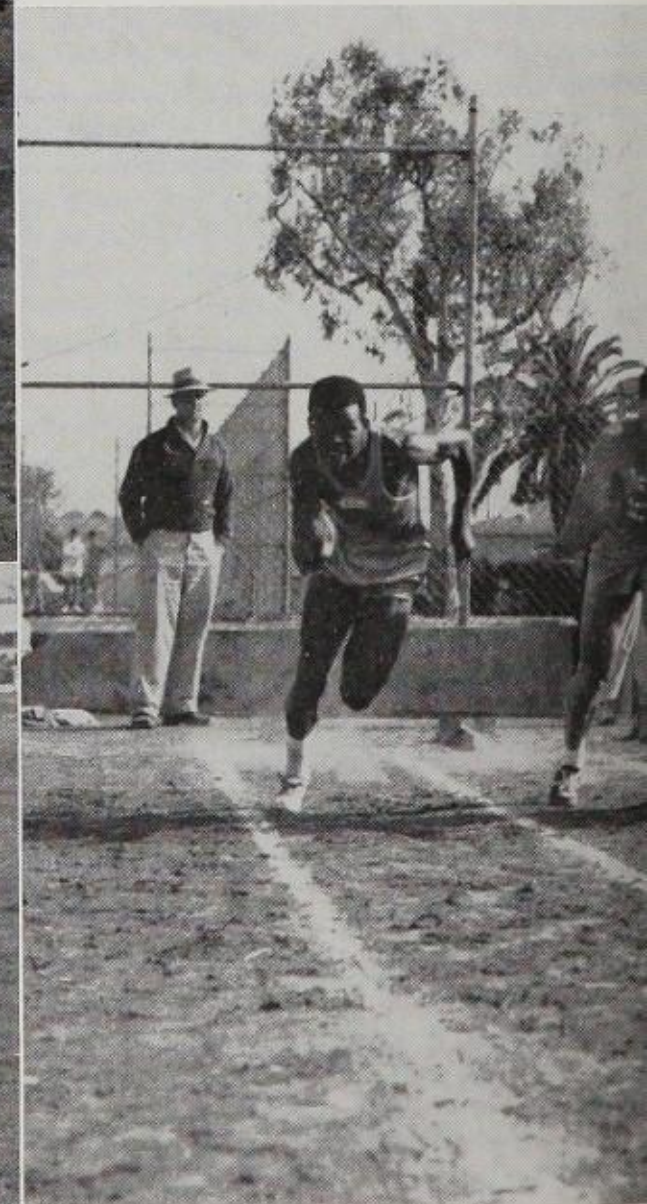

The Cees' greats included Jeff Chebegia in the pole vault, and a very fast relay team. All in all, they experienced a great season. Thanks a lot, Bees and Cees!

cross country

This year we have not only had successes in football and basketball but our cross-country team has also done remarkably well, and finished second in the Moore league in both the varsity and junior-varsity teams.

The two most outstanding runners were Dick Davis and Dave Schinnerer. Davis, who was elected team captain, set a national record in the Pentathlon event, set a new record of 8:19.5 at L.B.S.C., was on the team that set a new record of 44:08 at Recreation Park, and on the team that broke the record with a time of 42:24 at L.B.S.C. He also was elected to the All-City team with Dave Schinnerer. Another fine team from the Home of Scholars and Champions!

Confusion reigned in the 1959 Moore League baseball season! A 7-7 deadlock with Millikan, and a possible playoff and tie for second place, prompted officials to award the league title to Millikan.

Poly advanced into the CIF playoffs though, as the top two contenders in every league are eligible for honors. Led by the exceptional pitching of juniors Tom Sisk and Jerry Hilton, and the mighty bats of Willie Brown and Buddy Hollowell, Poly marched by Chula Vista in the first round of matches. Their next opponent was Santa Ana who took advantage of a few errors and beat the Hares 9-4.

Baseball was the fourth major Sport at Poly to advance into CIF play this year — certainly a wonderful tribute to marvelous coaching, earnest determination on the playing field, and a spirited enthusiasm on the part of every Poly fan.

"Swimming Down Broadway" one of the highlights of the year, was only one of many GAA-sponsored activities at Poly. Presented by the Advanced Swimmers, it carried a superb theme and was a sell-out on three consecutive nights.

Along with this, the Girls Athletic Association added several events to make it one of the most successful years in recent history.

Starting off with an Awards Tea, the Girls gave special recognition to the outstanding participants of last season. Also, new members were welcomed into the organization.

Then came the annual Poly Volley, and later, the Bunny Bounce. These are volleyball and basketball tournaments, respectively. The association is divided into squads and league standings are kept. Each of these tournaments was a big success.

Prancing along Broadway singing hit songs is a sure way to draw crowds. The girls in the annual water show were certainly crowd gatherers as they produced the most successful show in years.

modern dance

The below procedure is called—that is, the below procedure when done properly is called modern dance. Modern dance is the art of hopping around gracefully while somebody in the background beats on a drum. It is lovely!!

Are you sure this is how Esther Williams got her start?

There might have been some confusion on the stage when the Poly Mermaids advertised the annual swim show, but the production of *Swimmin' Down Broadway* went off like clockwork. (Post script: the girls' bathing suits were much more attractive than the outfits pictured below, right.)

polyettes

Last one in is a rotten egg!! It may look like the mass posture of Poly Mermaids about to take a plunge in the ol' swimming hole, but it's part of the musical number "Entrance of the Siamese Children" performed at one of Poly's P.T.A. nights.

I know it looks pretty, but my toes are soggy. The grace and delicacy of ballet movements are combined with the art of swimming to bring Poly audiences the tops in synchronized swimming. Under the direction of Mrs. "Mims" Schantz, the girls weave intricate figures in the water to bring delight to those fortunate enough to be able to purchase tickets to the Water Show.

"Who's the one with the two left feet?"

It would be easier to find lack of precision in the Rockettes than to find a Polyette out of step. Miss Parsch and Mrs. Duddridge put the girls through their paces. These half-time activities were looked forward to by all fans.

A hand in friendship

Shaken.

Pat on the back.

Put your hand on his shoulder

And let him know he's got a buddy.

Clasp your hands together

As a team.

As a group.

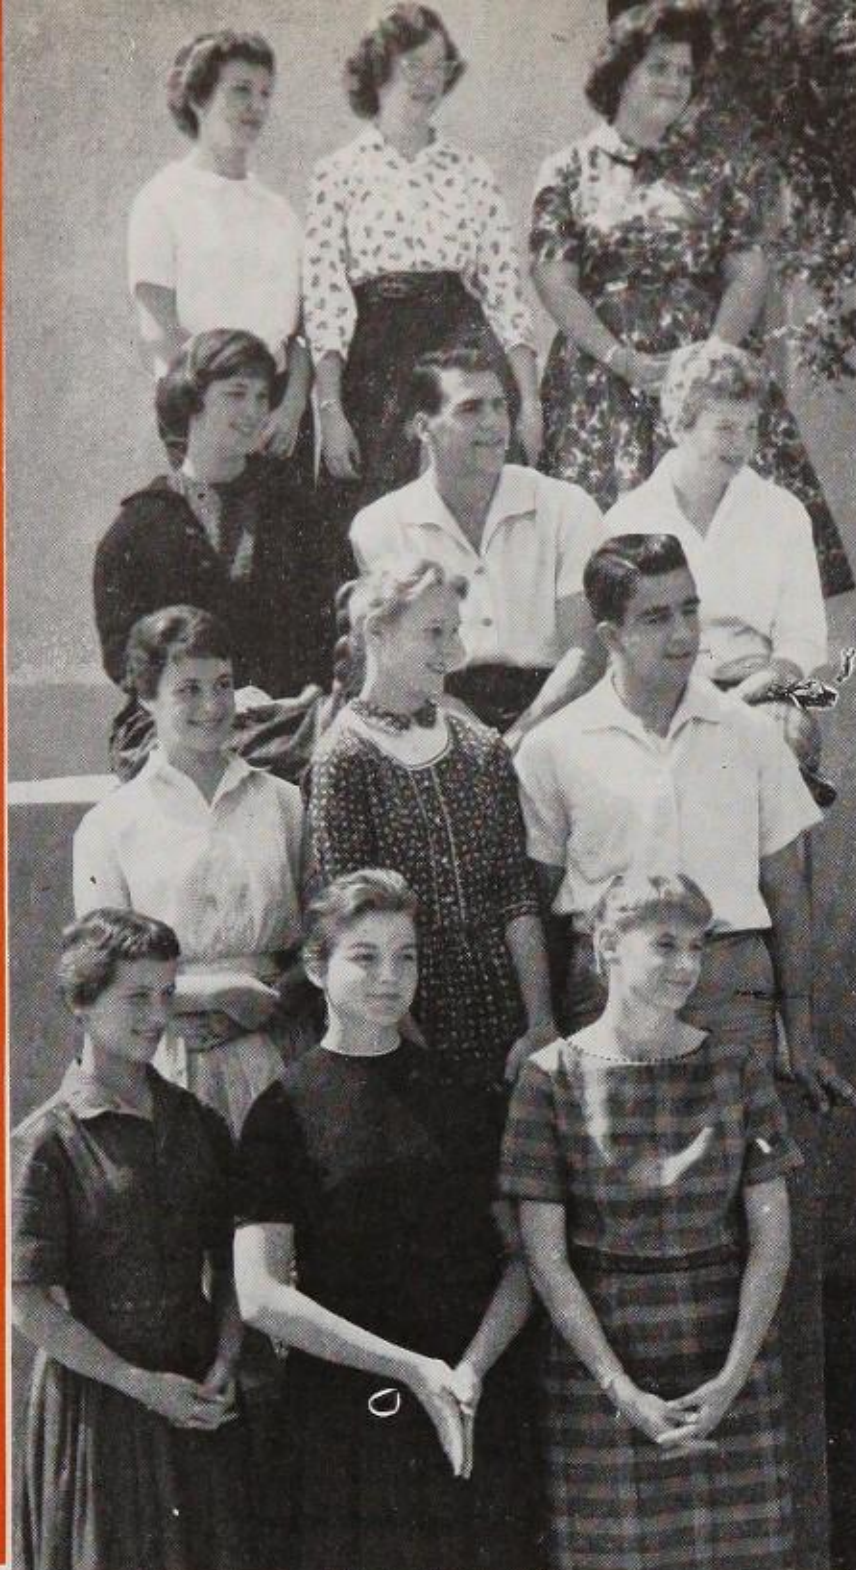

Tell them you're a member of a Poly club.

Wave!

Raise both hands!

Show 'em we've won!

Math and Science Club is organized for all those interested in mathematics and science fields. Many exciting trips were taken during the past year to such places as the Scripps Institute of Oceanography, the Texas Tower off Seal Beach, the Griffith Park Planetarium, and a visit to see the giant Univac computers in Los Angeles. At their meetings they had many guest speakers and motion pictures on the related math and science fields.

Ouch! But it didn't really hurt when Polyites received their inoculations against polio.

Math and Science Club members listen to interesting details while on a field trip to the Texas Tower off Seal Beach.

Seeing off a busload full of football heroes is a big thing in a girls life! Song and Flag girls dig into a send-off routine for the team just before their departure for San Diego. (We heard Dee Andrews was throwing autographed orange peels to some admiring fans!).

committee of five

As members of the Committees of Five it was the job of Alice Russell, Andy Choy, and Roberta Montine to process applications, keep records, and determine and present awards. The committee is comprised of a senior, junior, sophomore, and two faculty members. The sophomore progresses to become chairman as a senior. This year's chairman was Alice Russell.

Chapter 22S of the California Scholarship Federation became one of the charter chapters when the State Federation was founded in 1921 by Mr. Seymour, then a teacher at Poly. Ten points are required for membership, of which 9 must be earned in subject grades. An "A" counts 3 points, a "B" is one point.

Preparing a deuce (hot rod—1932 vintage) is a serious business for these two Poly High School engineers. Adjusting the idle and polishing fenders are only a few of the labors of love given to this glittering classic owned by Jeri Bush.

Career Forums were offered throughout the year to interested students who wanted first-hand knowledge concerning professional and business fields. Above, a representative from industry fills in details on engineering careers.

Junior Sales Executives attended many dinners and speaker programs with the Sales Exchange with whom they are affiliated. Vast experience of the business world was gained by all the members this year.

Junior Red Cross activities at Poly have become so well known in this area that the regional conference was chosen to be held on our campus in the spring. The members have a continuing scrapbook project for Veterans' Hospital, and an annual Overseas or Navajo Indian Project for which they collect school and hygienic supplies.

Is this tender scene just a foreshadowing of the future these service-minded coeds ultimately face?

In anticipation of the annual Campus Clean-up Campaign, many of the campus and social clubs came to school on a Saturday to repaint many of the old battered-up trash cans. If Poly's student body gave as much attention to the interior of these cans as these campus clubs do to the exteriors, Poly's litterbug campaigns would suffer malnutrition.

sophomore class

This year's Sophomore Class, the largest in Poly's history, was led by Richard Takeshita and Ruba Hada. The Sophomores organized a special Sophomore Day and supported their second annual Semester Swing. They also came in first in the American Field Service share drive. The Sophomores have shown their ability to support their school by their unfailing enthusiasm towards every phase of campus life. Poly High is proud to have such a fine class to help build the foundation for future years of success. Congratulations class of '61! You have done a fine job.

It is up to us, in our generation, to breathe the spirit of freedom into democracy.

It is up to us, in our generation, to express the vigor and vitality that is in the hearts of free men.

It is up to us, in our generation, to inspire the enthusiasm that has made our nation the colossus of the world.

Two Smiles in Orbit — Birgitte Eskelund expresses herself with a twinkle in her eye. Come to think of it, there are a lot of twinkles in a lot of eyes when Birgitte goes anywhere. If she is Denmark's answer to CARE, we're for more reciprocal trade.

Momma Sieveking will wonder if the American coming back to her German fold can be the same Hinrich she sent across the sea. Hinrich's answer: "It's a tough country, doll!"

Dear Mrs. Tranks,

I truly enjoyed being in your French class. You have taught me many things which I will cherish forever. Best of luck to you, and I hope to see you next year.

*always
Laye Trakamura*

Mrs. Frank —

I've really enjoyed having you for my French teacher the last two years. Even though it wasn't always apparent I have learned quite a bit of French in that time and I am truly sorry I am not able to take 3rd year French next year. If I do take French in College you be seeing quite a lot of me because I'm sure I'll be needing all the help I can get. Have a great summer.

Always —

Karen Hood

Greetings —

I don't know what holiday it is, but greetings anyhow. I'll see you next year, so I probably won't say too much. (I never do anyway, so this is no exception.)

Seriously though, believe me, I wish you to have a wonderful summer, and stay well. I value your friendship very much. Poly High wouldn't be the same without you — so once again stay well!!

Love —
Den McCall

P.S. See you next year!

Dear Mrs. Franks,
I can't thank you enough for all the help you have given me. You have been the best language teacher I have ever had. I also value your friendship. I feel a common bond in that you know Mrs. Astley and her family. I hope your health will improve and stay improved because it would be a great loss to Poly and to me to lose you.

Love,
Diane Woolsey

Mrs Franks,

I have thoroughly enjoyed being in your class this year. I am looking forward to next year also. I hope I can improve my grammar and boost my grade. You are such a warm hearted person, and make everything you teach seem interesting. Thank you for all your help.

Always,

Mary Nell Taylor

Dear Mrs. Franks,

you have made French such an interesting language. I want to thank you for introducing this language to me. I hope to visit you in the future. Thank you so much for everything!
your student,
Sharon Hanna

Dear Mrs. Franks,

It has been a real pleasure to be a part of your French I class this year. I'm sure I could not have learned French if had not been for your help and understanding. Looking forward to Fr. II next year.

Mrs. Franks,

Thank you so much for all the help you have given us all this past year. I hope we can really make French Club great next year. Mary Nell & I will try much hard! Thanks again

Mrs. Franks
 I glad I could be
 a student of yours.
 Although I didn't
 say much in class.
 I really enjoyed being
 a small part of your
 class. You're a very
 understanding and
 kind teacher. I wish
 we had more teachers
 like you here at Poly.
 Although I won't be
 in your class next
 year it's not because
 I don't want you as a
 teacher. It's just that
 I am going to take
 German. I will come
 back and see you next
 term. Wove,

"Cherie" Sommer

Mrs. Franks

Je ne savais pas écrire
 en l'Anglais bien, mais
 je vais écrire ces mots, pour
 vous dire, que vous êtes en
 bonne professeuse.

J'apprends beaucoup ici dans
 cette classe. Je désire pour le
 prochaine année, prendre français
 avec vous.

Ton élève Helder Jagundes

Dear Mrs. Franks -

For every high school
 student there will be a few
 teachers that are never forgotten.
 And you will be one of these
 teachers not only for me but for
 many many pupils. I knew
 I would love French before
 I took it at Poly but having
 an enthusiastic teacher reflect
 on the students too. I appreciate
 every single time you have
 gone out of your way for each
 and everyone of us and feel you
 are a wonderful person. I
 hope Mrs. Franks you will
 relax this summer and take
 care of your health and feel
 fine again. I really find it
 difficult to express ^{whom} my appreci-
 ation for all your health and
 advice. (I was listening to you and
 lost my train of thought). At any rate
 I will write you from Colorado
 University and tell you all about
 French class there.

all my best wishes for
 your health & happiness

Sincerely,
 Nicky Deebler

Mrs. Franks,

I'm really glad I was in your class. You have worked very hard for all of us. We all appreciate it. Carol Colman I know would also like to thank you. I hope to see you again.

Your friend

Mrs. Franks -

I can't say in a few words how much I enjoyed being in your class this year. It was fun to have a teacher that gave us a challenge to be better than we were.

I am glad that you are feeling better after your illness! I hope to see you next year - I'm sure this is possible as I am enrolled in your second period class!

Best Wishes Always,
Margaret Price

Mrs. Franks,

I certainly have enjoyed this past year in your "classe de français." You really offered me a challenge to become better ~~particular~~ particularly with my pronunciation. I love French and think you're a wonderful teacher!

Je vous verrai l'année prochaine. (Est-ce correct?)

Votre bonne amie,
Eileen MacIndoe

Mrs. Franks:-

I want to thank you so much for all you have done for me this year. French to me was just a language that I had to take for college credits but you made it come alive for me. I truly want to continue with my French and I hope to have you again next year so you can help me again.

I can't tell you how much I have enjoyed you and your class. You are such a wonderful person and you deserve all the luck that the world has to offer.

My Best Wishes Always

Christy Lashua

P.S. Have the

happiest of summers

Mrs. Franks,
I, we really enjoyed being in your class this year and I am looking forward to next year. You're a wonderful teacher and I really enjoy French because of it.

Mrs Franks:
Awfully glad you turned
out to be my French Teacher
for the past two years. You may
not think so, but I've learned quite
a lot mainly in grammar. Now
I can write to my grand mother in
French which makes her very happy.

living at home, my
parents will give
you my address.

DEAR MRS. FRANKS,

I want to thank you so much for everything you have done for me. I have never had or even known of a teacher to devote so much attention & interest to her pupils. I never would have made it through without you. I hope we can keep contact with each other even after I graduate. Thank you so much for recommending me to your sorority. It means a lot to me. I wish you the best of everything in the future. A kind, loving person like you certainly deserves it.

LOVE,

MRS. FRANKS.

First I want to thank you very much for trying to give me inspiration in studying French and giving me advice. I really enjoyed being in your class, even if I didn't learn much in French and learned something in Life.

Thank you for passing me for 2 1/2 years
of French. Best of Everything;
you deserve the very best.

Dear Mrs. Franks,

What a wonderful year this
has been. Your consideration and
interest in students is such an
admirable trait for a teacher.
See you next year.

Dear Mrs. Franks,

I have so enjoyed being in your French class these past three years. We have had so much fun. I shall write to you from Smithland and tell you how I'm doing in French literature. Thank you so being so patient with Linda and me; we're sorry that we were rude or sarcastic at times; we really didn't mean it! Thanks again for a wonderful three years.

Love, Jan Van de Water

To one of the sweetest teachers I know. May God richly Bless you. Muchas Gracias for your concern with my "hermanita." I will never forget you or your sweet, sweet character.

Dear Mrs. Franks - I have never admired or loved a teacher as much as you. Even though you've tried to get that French through my head - I will try to learn it just for you in Summer School! No Chap - I'm taking it for the enjoyment, Grade & knowledge. Thank you so for putting up with me - & God Bless you Always - Yours so wonderful - I mean it!

Love,  
Carol Colman

Mrs. Frankes.  
I enjoyed so much  
being in your class,  
and my year here in Hong  
Kong has been a great experience.  
Black which I shall always remember.  
I think you are wonderfully interested  
in a FS and I wish you may have a great  
trip to Europe and hope to come in contact  
with your men. Thanks for every-  
thing. Birgitte Eskelund,  
Denmark.

Mrs. Frankes,  
It has been wonderful  
to have you for one of my  
teachers. You have really  
inspired me to go on into  
teaching and to continue  
with French. Thank you.  
Nancy Osborn

Mrs. Frankes,  
I have enjoyed  
knowing you so much  
for all of us, even health-  
more to the detriment of your own health.  
I think a lot of you, personally. I really  
wish more than as a teacher.  
and you for everything you  
do. I will write you  
soon. Birgitte Eskelund

Dear Mrs. Franks  
I have very much enjoyed being in your class! I will try to work harder for you next year - ok?  
Best of luck in all you do this summer & will see you next year  
Love + God bless you  
Anne Harrison

Dear Mrs. Franks -

You are a wonder to a teacher and person. Thank you for all you've taught me this year.

Get well this summer so that you can take another year of us. I will be better next year.

Pam Derryberry

Dear Mrs. Franks -

I'm sorry if I've been bad sometimes by talking too much. I'll be better next year. Please get real healthy because I don't want anyone but you for French.  
see you next year.

Dear Mrs. Franks,

You've really been a big  
help to me this year. I'll  
think of you often while I'm  
gone this year. I'll write.

Love,

Patti O'Brien
